

CENTER of EXCELLENCE
for ENGINEERING BIOLOGY

Matt Maurano

Matthew T. Maurano received B.A.s in Molecular and Cell Biology and Computer Science from the University of California, Berkeley in 2005. He received his Ph.D. in Genome Sciences from the University of Washington in 2013. He is now an Assistant Professor at the NYU Institute for Systems Genetics and the Department of Pathology, where his lab is interested in genomic approaches to transcriptional regulation and its impact on human disease.
